## THE COLLEGE:

SJMVS Arts and Commerce College for Women, Hubballi, is one of the oldest yet vibrant institutions in North Karnataka, exclusively for women. The college is affiliated to Karnataka State Akkamahadevi Women's University, Vijayapur. Established under the aegis of SHREE JAGADGURU MOORUSAVIRMATH VIDHYAVARDHAK SANGHA, HUBBALLI, the college has vision of providing holistic education and preparing women from different social spectra for the life ahead. The college has excelled in academics, sports, cultural activities and social service for the last 53 years and students are consistently securing ranks, gold medals and status of university blues.

## OBJECTIVES:

The objective of the seminar is to provide a platform for deliberations on the concerns and opportunities of quality sustenance in higher education by the faculty, students, Government, NGOs and community.

Following are the specific objectives of the seminar.

- To realize the importance of quality sustenance and enhancement.
- To highlight the role of the students as major stakeholders in higher education.
- Relevance of present higher education system for employability.
- To bring all the Internal and external stakeholders under one roof to discuss the challenges faced by them.
- To know the responsibilities of all the stakeholders in quality enhancement of higher education.

## ABOUT THE SEMINAR:

Mahatma Gandhi once said "We must be the change we wish to see in the world". Higher education scenario today, is undergoing a paradigm shift. Higher education sector must be restructured according to the changed needs and aspirations. Higher educational institutions need to improve quality, reputation and establish credibility through student exchange, faculty exchange programmes and the contributions of all the other stakeholders. In view of this, Shree Jagadguru Moorusavirmath Vidhyavardhak Sangha's (SJMVS) Arts & Commerce College for Women Hubballi has organized "Two Day Multidisciplinary National Seminar on the topic "Quality Sustenance and Enhancement in Higher Education: Challenges and Responsibilities of Stakeholders". This seminar aims at providing a platform to share ideas and research results and obtain feedback on this contemporary topic in order to explore the best measures for enhancement

and sustain knowledge through higher education. This seminar also aims to create a platform for brainstorming ideas and to discuss the challenges and responsibilities of stakeholders which will enhance the quality levels in higher education. This will be a venue for serious academic discussion for all stakeholders varying from students, academicians, parents, teachers and so on.
